A man in a blue shirt and dark pants is standing on the edge of a roof, holding a long, vertical metal pipe. The pipe is positioned against a brick wall. The scene is set outdoors, with a clear blue sky and a brick building in the background. The man is looking towards the camera. The roof has a white metal edge. The brick wall is made of red bricks with some darker spots. There are windows with white frames visible on the brick wall. The overall scene suggests a construction or maintenance project.

A man with grey hair, wearing a grey t-shirt and blue jeans, is sweeping a paved area with a broom. In the foreground, a silver extension ladder leans against a brick wall. The background shows a paved area with a black vintage-style trailer, several bicycles parked in a rack, and lush green trees. A black bucket and a blue brush are on the ground near the ladder.

An aerial photograph of a Dutch village. In the foreground, the dark, tiled roof of a church with a prominent steeple is visible. The middle ground shows a mix of green pastures and brown, plowed fields. In the background, a cluster of houses and more green fields stretch towards a clear blue sky. The text is overlaid in white on the image.
